# Customer How-To Guide

Follow The Steps Below…

## Steps

1. Scan the "Drinking Package" barcode and follow the link.

2. Enter your phone number.

3. Scroll down to the "pricing" section to purchase a drinking package.

4. Upon completion of purchase, navigate to the "barcodes" section of the drinking package page. Your purchased drinking package barcode will appear.

5. Show the bartender that barcode so that they may scan it and serve you your beverage.
